

A NEW VISION FOR THE BADGETT PLAYHOUSE

Dear Patrons -

As we enter into this new year, we would like to take a moment to inform you of an exciting new vision that we have initiated through our existing non-profit and Minihan Productions, LLC.

In October 2018, our non-profit formally known as *ProjectGuat* was officially renamed with the Kentucky Secretary of State's office to the *Kentucky Global Arts Initiative* (EIN number 81-1455532).

All previous projects started with the former non-profit will continue uninterrupted (funding for Grace English School in Chimaltenango, Guatemala).

Future Plans

The goal of this new vision is to reflect the increased scope of the organization including working with nonprofits in the community as well as school districts in Western Kentucky. We appreciate your support in our vision and we hope that you will join us as we move forward in this exciting journey.

This new approach includes using the Badgett Playhouse as the center of operations for the newly named organization and the lease for the building has been assigned to the Kentucky Global Arts Initiative so that it can function as a non-profit with all of the benefits associated with that designation. The current entity that leases the theatre - Minihan Productions, LLC - will continue to produce professional theatrical shows, primarily on the weekends.

Plans for the Non-profit include:

- Fundraising assistance to other non-profits and schools by doing special shows.
- Interactive Language Classes in Western Kentucky schools including online lessons with students and teachers in Guatemala.
- New shows designed for kids as well as special summer camps.
- Sponsored shows that will allow school fieldtrips to come to the theater so that students can experience professional theater first-hand.
- Language Camps for all ages in the summer months that will create a unique "immersion" experience with native speakers.

We thank you for your continued support of the Badgett Playhouse and hope that you will join us in enhancing a new vision of providing opportunities to individuals and organizations. Big things are happening in 2019, and we thank you for believing in an initiative that will leave a lasting impact for years to come. We need your help!

Please consider sponsoring a seat and in turn helping us to help a lot of great organizations and schools in the area! Thank you for allowing us to be a part of your community for 15 years!

Ask us about corporate sponsorship as well!

Fun Legal Stuff: Woo Hoo!

Any donation to the Kentucky Global Arts Initiative will be eligible to be a tax-deductible donation to a registered non-profit in the USA. According to the IRS, for any value received because of a donation, that amount would not be eligible as a tax-deductible gift. Because of this, when a sponsor gives money to support the theater and they receive a gift or service because of that donation - such as ad space or tickets - then that donation would not be considered tax-deductible.

Clear as mud? OK!

To keep things simple, only those donors who give a financial gift to the non-profit (The Kentucky Global Arts Initiative) and receive nothing in return would receive a gift receipt showing a tax-deductible gift has been made.

For those that receive merchandise or tickets for their sponsorship - such as those that buy seat sponsorships and then receive a Patron's Pass or for any businesses that buy ad space - they will be given a receipt from Minihan Productions, LLC. In many instances, these can be used as marketing expenses for businesses and therefore be tax-deductible in that sense.
